

Personal data policy

This policy explains how spacecargo.ge uses your personal data. Personal information will be provided for us while using our website.

What information do we collect about you?

We collect personal information when registering or using our website. Personal information may include, but is not limited to:

1. Email
2. Name and surname
3. Personal number
4. Phone number
5. Address, city, zip code
6. Cookies (Cookies)

We use your data to provide and improve services. By using the Service, you agree to this policy of collecting and using information.

Cookies

"cookie" is a small text file that is stored on your computer by the web pages you visit. "cookie" files are widely used to increase the efficiency of the operation of websites or to obtain information from website owners.

1. Location data

1.1 We may use and store information about your location if you allow us to do so. We use this data to provide and improve our services.

1.2 You can enable or disable location services when you use our services through your device.

2. How do we use the information we collect about you?

2.1 The information we collect about you is used to service and manage your account.

2.2 We may use the information to send you information on the e-mail about services that we think it will be interesting for you.

2.3 Information about you can be used to identify, prevent and resolve technical issues. As well as to provide customer support.

2.4 At the time of processing the purchase, information about you may be forwarded to the Credit Fraud Agency.

3. Transferring of personal information

3.1 Spacecargo.ge may transfer your personal data to a third party in good faith that such action is necessary:

3.1.2 To fulfill a legal obligation;

3.1.3 To protect the property and rights of Spacecargo.ge;

3.1.4 To avoid or investigate possible shipping errors;

3.1.5 To protect the personal safety of consumers or the public;

3.1.6 To avoid legal liability;

4. Security of personal information

4.1 We take all necessary organizational and technical measures to ensure the security of your personal information. We store accurate information about you and ensure its correct use. If we become aware of a breach of the Privacy Policy we will notify you immediately. Though, the security of your personal information is important to us, you should note that no electronic method of storing or transmitting information is 100% secure.

4.2 To ensure the security of personal information, it is recommended that users do not pass on their password to third parties. Our staff will never ask for your password or ID from a foreign number or email. If you use a shared computer with other people, it is not recommended to store the login data on this computer.

5. Safety of minors

5.1 To use the services of Spacecargo.ge, a person must be over 18 years old. We do not intentionally provide services to minors under the age of 18 and do not collect any personal information about them. If you are the legal representative of a minor who uses our services, please contact us.

6. Change in personal data policy

6.1 We may make changes to our personal data policy. You will be notified about this by posting on this website.

6.2 It is recommended that the user check for possible changes in the personal data policy.

7. Other websites

7.1 On our website you may periodically view links to other websites. This policy applies to our site only. When using other websites, be sure to familiarize yourself with their personal data policies.
